Tarra Sai

tarrasai01@gmail.com | 901 493 3008|

SKILLS

PROGRAMMING
- Python
- cpp(c++)
- C-language
- Javascript

FRAMEWORKS
- ReactJs
- Bootstrap

TECHNOLOGIES
- HTML
- CSS
- javaScript
- NodeJs
- ExpressJs

DATABASES
- Mongodb

OTHERS
- Git/Github

EDUCATION

B-TECH(CSE)
VIGNAN'S INSTITUTE OF INFORMATION
3RD Year| 2021-2025
GPA: 8.3

INTERMEDIATE, MPC
SRI CHAITANYA JUNIOR COLLAGE
2019-2021 | ANAKAPALLE
Marks: 941/1000

PRASANTHI NIKETAN MVVSM EM HS ANAKAPALLI
2019 | ANAKAPALLE
GPA: 9.3

EXPERIENCE

WEB DEVELOPER INTERN (NEXT24TECH)
- worked on Javascript,Nodejs,Expressjs,Reactjs
- Web developer intern with hands-on expereience in building dynamic websites

PROJECTS

WEATHER APPLICATION | Github

- Developed a weather application that utilizes a weather API to fetch and display current weather information.
- Implemented search functionality that allows users to input different locations and retrieve real-time weather data for those places.
- Displayed comprehensive weather details including date, time, location, and temperature based on user search queries.

- **Tech Stack**: HTML, CSS, JAVASCRIPT,NodeJs, ExpressJs.

BMI (BODY MASS INDEX) | Github

- Developed a BMI application with token-based user authentication to ensure secure access.
- Implemented functionality for users to input their height and weight to calculate their BMI value.
- Designed the application to categorize BMI results into different ranges such as underweight, normal weight, overweight, and obesity, offering specific advice for each category.
- **Tech Stack**: HTML, CSS, JavaScript, MongoDB, HBS , NodeJs , ExpressJs.

IMAGE SEARCH APPLICATION | Github

- Developed an image search application using the Unsplash API to fetch and display images based on user queries.
- Implemented a search bar that allows users to input any keyword and retrieve relevant images.
- Ensured efficient API integration to provide fast and accurate image search results.
- **Tech Stack**:Reactjs, Unsplash API.

CERTIFICATIONS

- HTML5 online certification on infosysspringboard
- python online certification on infosysspringboard
- JavaScript Essentials online certification on CISCO NetWorking Academy
- MERN Stack Web Development with Ultimate Authentication online certification on infosysspringboard
